KOC PARENT AGREEMENT 2024

We are making every effort to ensure that your child will have a positive experience while at Carl Sandburg College and therefore REQUIRE parental consent regarding the following rules:

- I agree to pick up my child promptly after class.
- I give permission to Carl Sandburg College to video or photograph my child. I relinquish all photographic rights and give permission to Carl Sandburg College and the College Offices of Community Education and Marketing and Public Relations to use my child's likeness as they deem appropriate.
- I give permission for my child to be transported to and from alternate class sites as necessary.
- I hereby grant permission to Carl Sandburg College to allow my child to use the Internet for course exploration under adult supervision.
- I will not hold the College or the College personnel or agents responsible in the event of an accident or injury.
- I understand that the College is not responsible for lost or damaged property.
- I understand that College personnel are not permitted to hold or be responsible for administering any medication.
- I understand the College may suspend or terminate my child from the program for any reason that is deemed harmful or disruptive to the other participants or just cause. Refunds will not be granted if a child is suspended or terminated.
- I understand that it is my responsibility to notify the College if the student has any physical or mental impairment or condition which restricts the student's ability to participate in Kids on Campus in any way. I agree to provide an aide to assist my child if the child has a condition that requires individual assistance.
- I understand that in an emergency I will be contacted as soon as possible at the phone number (s) listed below. If I am not available, I have provided an alternate contact below.
- I authorize Carl Sandburg College staff to take whatever measures they deem necessary in the event of an emergency. I also give permission for my child to be given emergency treatment at local hospital or on site.

2:00-2:50 p.m. Course 2

KOC is held at

**Carl Sandburg-Branch Campus
305 Sandburg Drive
Carthage, IL 62321**

Courses

Art of Collage

Come create a watercolor collage of your favorite animal. Students will observe their subject and use watercolors to bring it to life - then tear and put together to create an awesome art piece to enjoy.

(NEW) Art of Cookie Decorating

Are you fascinated with decorated cookies? In this class you will learn how to use your artistic talents to decorate cookies with royal icing. Learn to use icing bags, cookie cutters and more!

(NEW) Campfire Fun

It is time to have a fascinating week around the campfire. Each day you will learn something new that takes place around the campfire, from cooking your favorite treats to memorable stories.

Canvas Painting

Join this fun painting class for a wonderful artistic experience. You will be painting a swimming sea turtle with step-by-step instructions. Each participant will come home with a stretched canvas landscape ready to hang.

Crazy Cats

It is time to go on a crazy cat adventure. In this class you will learn all about cats, from how to care for and feed them to the different breeds, and so much more.

Fitness Fun

What does fitness mean to you? In this class we will explore the different types of fitness through various activities.

Full STEM Ahead

Put your mind to the test as we work to complete daily challenges to expand our knowledge in the areas of Science, Technology, and Math.

(NEW) Let's be Crafty

It is time to sit back, relax and get your crafty juices flowing. Each day you will create a different project from flower wreaths to painted rocks, and everything in between. The projects you create will make wonderful gifts for the special people in your life.

(NEW) Let's Create

Calling all young artists, it is time to get creative. Each day you will have a different theme where you will create one of a kind masterpieces to take home and enjoy. Will you be the next Picasso?

Munchin' Numbers

It's okay to play with your food when you are using it to figure out how numbers work – really! Have fun learning math. Please let us know if your child is allergic to any foods before the start of class.

No Bake Snacks

Do you enjoy eating snacks? In this class you will learn how to make simple nutritious snacks without baking. Please let us know if your child is allergic to any foods before the start of class.

(NEW) Recyclable Gardening

Calling all garden lovers! Enjoy a week of creating a garden with recyclable materials you have around your house. Be prepared to have a lot of fun and get a little dirty.

(NEW) Space Fun

It's time to travel out of this world and learn all about being an astronaut in space. Will you be the next NASA astronaut?

(NEW) Stories with GMA

Do you enjoy story time with your grandma (GMA)? You will enjoy learning all about the library process and reading story books. Each night you will check out a new book to read with your family and bring back the next day. There will be a trip to the public library at the end of the week, and a book for you to add to your home library.

Class Choices

Please number 1-3 of your choices, with 1 being your first choice, for each time slot.
