

# Sandburg Free Resources

## The Tutoring Center

The **Sandburg Tutoring Center** is a free resource for all Carl Sandburg College students. Sandburg Tutors cover all core subjects, from math to English to science. **24/7 online free** tutoring is available through our chat-based platform, Brainfuse. Log into mySandburg and click the Brainfuse link.

## Library

**Sandburg Library** supplies a wide variety of traditional and innovative materials and services necessary to support our students' educational needs.

**Galesburg:** E230 Phone: 309.341.5257 Email: [library@sandburg.edu](mailto:library@sandburg.edu)

## Academic Advising and Counseling Services

**Academic Advising** is available throughout the year. Advisors can help you plan academic goals, and overcome obstacles along the way. Advisors are also a great resource to help you with time management and study skills. Make a Student Planner appointment with your advisor to develop an individual plan to complete your degree.

**Counseling Services** are a free resource to Sandburg students. Whether you are a first-time college student or returning to school due to a life transition, sometimes it helps to talk with an objective listener.
