

The Campus Sexual Violence Act (Campus SAVE) was signed into law in March 2013 as a new amendment to the Violence Against Women Act of 1994. This act requires college campuses to provide information, training and ongoing prevention and awareness programs to combat sexual violence. The State of Illinois passed a new law, Preventing Sexual Violence in Higher Education Act (110 ILCS 155) effective August 1, 2016, that amends other Illinois campus safety laws to address the critical issues of sexual violence, domestic violence, dating violence and stalking in higher education.
